

## Erratum

Vol. 9, No. 1, in the article entitled “Inequalities and Existence Theorems in the Theory of Matrices” by L. Mirsky, pp. 99–118:

The following changes should be made in the *Note added in proof* on p. 115:

For: *Commun. Math. Helv.* 23 read: *Commen. Math. Helv.* 32

For: *Math. Z.* 82 read: *Math. Z.* 83

For:  $\log f(n) / n \log n \rightarrow 1$  as  $n \rightarrow 1$  read:

$\log f(n) / n \log n \rightarrow \frac{1}{2}$  as  $n \rightarrow \infty$ .
